

Hardin-Jefferson ISD
Permission to Publish

Hardin-Jefferson is in the process of developing a new district web site. We feel that our students work hard and deserve recognition in both their academic and extra curricular activities in which they are involved. Because of their dedication, we would like to recognize our students who have made these excellent achievements at H-J.

Please sign below the areas in which you would allow your child to participate on our district web page.

Thank you!

Shannon Holmes,
Superintendent
